Leslie Joan Millenson has worked with Associated Colleges of Illinois for more than two decades. Millenson is founding principal of The Millenson Collaborative, a consulting practice dedicated to program development, strategic planning and hands-on marketing/communications for nonprofit organizations. Millenson established that practice in 1998, after a decade as a founding partner at Lipman Hearne Inc. Her assignments address strategic program development, institutional marketing and advancement, institutional identity, grant writing, web development, video production, print materials and special events. Millenson manages ACI's signature Peer Mentoring Program, as well as its College-to-Career Initiatives, including Work and Life Skills Boot Camps and Career Development Conference and Employer Expo.
